Commencement 2015 Housing Q & A

What is the commencement lottery and room selection process?

This is the reservation process by which degree candidates receive a lottery number so they can secure housing in the residence halls for their families for graduation weekend. This is an alternative to staying at a hotel, renting a local home, etc.

How does the commencement lottery sign up process work?

**STEP 1** is for the student, using their NetID, to apply online for a lottery number and timeslot. (Completing Step 1 allows the student to then make the reservation at a later date (see Step 2).

⇒ To complete Step 1, apply online here between 10:00am, Monday February 2, through noon, Monday, March 2. This is not a first-come, first-served sign-up process, so there is no need to stress about signing up as soon as the site opens.

When is the room selection process for commencement?

**STEP 2** of the reservation process takes place in person at Robert Purcell Community Center Auditorium on Monday, March 16. Refer to the timeslot assigned to you in Step 1 (above). This is the time for you (the student) to make the actual reservation.

⇒ To complete Step 2, arrive at RPCC Auditorium 15 minutes before the timeslot assigned to you. Your number will be called and you will then proceed into the multipurpose room to select the number of beds needed (8 maximum).

How many beds can I reserve through the room selection process?

You can reserve up to 8 single beds during the room selection process on March 16th. If you still need more beds, you can sign up for additional beds starting at 10:00am, Tuesday, March 17th at 206 Robert Purcell Community Center or by mailing your request to commencement_housing@cornell.edu

What if my family will only be here for one night?

The cost is still the same – it is a 3-night package, whether you use all 3 nights or not. No exceptions.

What happens at the commencement room selection process on March 16?

On March 16, you need to arrive at Robert Purcell 15 minutes before your assigned timeslot. Your number will be called and you will then proceed into another room to select the number of beds needed (8 maximum).

What if I can’t make my timeslot?

What if I’m not living in the Ithaca area?

PLEASE NOTE THIS OPTION IS ONLY FOR STUDENTS NO LONGER LIVING IN THE ITHACA AREA:
Degree candidates not living in the Ithaca area wishing to make on-campus housing reservation must complete Step 1 of the lottery process and receive a timeslot and lottery number. The candidate will then complete the online reservation request form by returning to the sign-up page. A reservation will be made for you during the room reservation process on March 16 according to your lottery number. We will do our best to accommodate your request for location; however, please understand that some
locations sell out quickly. You will be notified of your tentative reservation by March 17, 2015 via email. Your confirmed reservation will be emailed upon payment.

What if I need special accommodations for Shavuot?
