COMMUNITY CONDUCT AND DISCIPLINE PROCEDURES

Statement of Principles
Cornell University is committed to the overall educational and personal development of its students, and views the unique experience of living in a residence hall as contributing greatly to such development. To facilitate this process effectively, it is important to maintain an appropriate residence hall environment.

In order to perform its educational function, Cornell University requires mutual cooperation of its members, both in and out of the classroom. Therefore, the residence hall community has an established set of community standards of behavior that are consistent with the educational mission of Cornell University. Included is the regulation of the conduct and behavior of Cornell University community members whose actions may impede, obstruct, or threaten the maintenance of order and/or the achievement of these educational goals.

In an effort to provide our residents with safe, comfortable and just communities, we encourage debate and discourse in the spirit of understanding and promote this freedom and responsibility. This understanding and responsibility includes respecting and being sensitive to the rights of others while not condoning messages or actions that promote hatred, intolerance or violence. Incidents of bias – acts of bigotry, harassment or intimidation directed at a member or group of the Cornell Community based on that individual's or group's actual or perceived national origin, ethnicity, race, age, religion, gender, sexual orientation, disability, veteran status, color, creed, marital status, or any combination of these or related factors will be addressed with an educational protocol that helps those who offend others to better understand the impact of their actions on the larger community in which they live.

Cornell University reserves the right to review all alleged violations of the Campus Code of Conduct and/or the Residential Programs House Rules. While it is the goal of the judicial process to educate students about the purpose and importance of abiding by these policies, Cornell University will also issue sanctions by the Judicial Administrator (JA) or educational agreements by Residential Programs staff as appropriate and necessary to ensure continued and/or future adherence. These possible JA sanction(s) include, but are not limited to, oral warning, written warning, probationary status, restriction of privileges, restitution, community service, administrative referral, and re-assignment or expulsion from the residence halls. In addition, the University reserves the right to remove a student from the residence halls pending the outcome of disciplinary action, or to transfer the student to another residence hall at any time when, in the judgment of an authorized representative of Residential Programs, the student has engaged in or threatened acts of misconduct such that his/her continued presence would endanger public order or property, threaten the personal safety or security of others (by acts of physical or mental harassment or other means) or be sufficiently disruptive as to adversely affect the ability of others to pursue their educational goals.

When a contract is terminated due to discipline issue(s), no refund of any housing charges that are billed or scheduled to be billed will be made.
For purposes of this document, “residence halls” encompass all undergraduate residential communities, including residence halls, Program Houses, the West Campus House System, and the Townhouse Community.

Student Responsibilities
It is the responsibility of each resident to become familiar with all Cornell University, Campus Life, and Residential Programs policies, administrative procedures, regulations, and community standards. The university will make every effort to make certain all information is available and easily accessible to students.

In general, each resident should:

- Respect the rights of others
- Respect the property of individuals, groups, and Cornell University
- Observe all Cornell University (see the Policy Notebook for Cornell Community), Campus Life, and Residential Programs (see House Rules) community standards, policies, procedures, and regulations, as well as the laws of the city, state, and federal governments
- Refrain from activities that interfere with the regular operation of Cornell University
- Present identification upon the request of an authorized Cornell University official
- Ensure that guests behave in a manner consistent with and in accordance with Cornell University, Campus Life, and Residential Programs policies
- It is the responsibility of each resident to understand the rules and regulations.
- When a violation occurs, it is the responsibility of each resident to meet with the RHD or House Assistant Dean when requested. The student must meet with the RHD or House Assistant Dean to respond to charges or to provide clarification about the alleged violation.
- It is the student's responsibility to provide any necessary supporting documentation or witnesses on his/her behalf.
- It is the responsibility of each resident to keep appointments. If the student does not attend a scheduled appointment, the appointment may proceed as scheduled with a review of the case and the issuance of educational agreements or sanctions as necessary and appropriate. If there are emergency circumstances beyond the control of the student, permission to postpone an appointment may be allowed.
- It is the responsibility of each resident to comply with university officials by surrendering, when asked by Cornell University staff members and/or law enforcement officials (e.g., Cornell University Police, Ithaca Police), any contraband materials and/or items.

Student Rights
This judicial process is an established procedure that is made known to students. Students have the right to:

- Notification of rules and regulations
- Right to a timely process
- Right to a response
- Right of confidentiality (consistent with law)

(Judicial procedures were adopted from New York University's judicial process on June 6, 2001)
Disciplinary Process

- **Origin of Accusation/Complaints of Specific Violation**
  A complaint against a resident may be brought by another resident, a guest of a resident, by a member of the Residential Programs staff, by any affected parties, by other administrative offices or by persons not affiliated with the university. Complaints must be filed in writing with the Residence Hall Director or House Assistant Dean, the Residential Programs Office, the Cornell University Police, and/or the Judicial Administrator's Office.

- **Investigation of Accusation /Collection of Information**
  The Residence Hall Director, House Assistant Dean or his/her designee will investigate all such complaints and/or indications that a Cornell University, Residential Programs, or Campus Life policy has been violated in the residence hall.

- **Notification to Student**
  The Peer Review Board, Residence Hall Director, House Assistant Dean, or his/her designee will notify the alleged violator of the specific charges against him/her. The student will be asked to meet with the Peer Review Board or Judicial Administrator’s Office to discuss alleged policy violations, and review the judicial process and procedure. Depending on the seriousness of the infraction by a student, the Judicial Administrator may designate a Residential Programs’ staff member or House Assistant Dean to adjudicate code of conduct policy violations.

- **Initial Meeting**
  The Peer Review Board (in cases involving the House Rules) and the Judicial Administrator (in cases involving the Code of Conduct) will review the case, including a possible meeting with the student(s) who allegedly violated a policy. The Peer Review Board or Judicial Administrator will collect the facts and advise the student of his/her rights and responsibilities in regard to the judicial process. As a result, the Peer Review Board or Judicial Administrator will then take one of the following steps:

  - Adjudicate the issue in a non-judicial manner at the hall level via the Peer Review Board. The Peer Review Board will facilitate the hearing process through educational discussion. No judicial record would be established/maintained or sanction(s) issued.
  - In accordance with the nature of the charges, and provided that all parties are in agreement with doing so, the Peer Review Board may administer an educational agreement.
  - BASICS (alcohol education program) is one of the possible outcomes that the Peer Review Board or a Residential Programs’ staff member or House Assistant Dean will require.
  - When necessary, the matter may be referred to the Judicial Administrator, Assistant Director/Residential Programs or Director/Residential Programs, including a summary of prior policy violations.

**Medical Amnesty Protocol (MAP)**
Cornell’s Medical Amnesty Protocol seeks to reduce barriers to seeking assistance when an individual experiences severe intoxication or a serious injury after consuming alcohol. If an individual who receives emergency medical attention related to his or her consumption of alcohol completes a required follow-up at Gannett, (s)he will not be subject to judicial action if the incident was related to underage possession of alcohol or disorderly conduct. An individual receiving amnesty will not be required to meet with the Judicial Administrator, will not be
required to pay for the required follow-up service at Gannett, and will receive a warning rather than a written reprimand. A person in need of medical attention is eligible for medical amnesty on more then one occasion.

An individual who calls for emergency assistance on behalf of a person experiencing an alcohol-related emergency will not be subject to judicial action for the following code violations in relation to the incident: underage possession of alcohol, provision of alcohol to an underage person and disorderly conduct.
COMMUNITY STANDARDS & POLICIES

The residence hall community has an established set of community standards and policies for behavior that is consistent with the educational mission of Cornell University. The information below outlines these community standards, which are above and beyond those outlined in the Policy Notebook/Campus Code.

*An Asterisk next to any infraction involving a life safety device or those cited in Cornell’s Campus Code of Conduct, indicates that these matters will result in immediate referral to the Office of the Judicial Administrator.

Abandoned or Lost Property

To ensure the security of residents' property, be advised of the following:

- An item not removed by residents in a common area (including laundry rooms) violates fire safety codes and will be addressed by the RHD or House Assistant Dean.
- Lost or abandoned items of value will be turned over to Cornell University Police (CUP) in Barton Hall (255-1111) or Campus Life Service Centers. After the waiting period prescribed by law, the item(s) will be entered in the Tompkins County Police Auction.

*Alcohol

- Under New York State Law, persons under the age of 21 are prohibited from possessing any alcoholic beverages.
- It is a violation of Cornell policy to give or sell alcoholic beverages to anyone who is under the age of 21 years.
- Residential Programs/West Campus House System prohibits kegs, beer balls, and other similar beverage containers commonly used to serve multiple individuals.
- Alcohol paraphernalia (empties, flask, funnels) is prohibited in the residence halls, except in rooms where all assigned persons are 21 and over.
- Public intoxication by an individual 21 years of age or older who is disrupting the community will be subject to disciplinary action.

- Possession or consumption of alcohol is prohibited in common areas (lounges, kitchens, bathrooms, or hallways).
- A person who is 21 or older may not consume alcoholic beverages in any residence hall room / suite unless all who are present are 21 or older.
- A person under 21 may not be in a room where alcohol is present.
- In accordance with the Guest Policy, each resident is responsible for and may be held accountable for the actions of his or her guest(s) who are students or non-students.
- If an underage student is found drinking alcohol in a room in which he/she does not reside, the resident(s) of that room may be held equally responsible for permitting the violation to occur.
- No alcohol (possession or consumption) is allowed in Akwe:kon.

Barbecue Grills

- Students must receive authorization from the RHD or House Assistant Dean a minimum of 24 hours prior to using a grill.
Grills must be set up on level ground at least 6 feet from sidewalks and 25 feet from buildings, structures and vehicles.
Grills cannot be set up under trees or overhangs.
Grills must be located so smoke does not enter nearby buildings.
Charcoal must be completely extinguished and cold to the center of the charcoal before disposal.
Grills must be used for cooking in the manner intended by the manufacturer and may not be used to burn trash, papers, wood, etc.
Use of grills may require a Use of University Property (UUP) to be filed with the Student Activities Office.
Storing flammable liquids or gases is not permitted anywhere in the residence halls.
Charcoal may only be kept in storage areas identified by a professional staff member.

**Bicycles**
Residents who choose to bring a bicycle must abide by the following guidelines:
- All bicycles must be registered with Cornell University Police, G-2 Barton Hall. There are a limited number of outdoor bicycle racks and indoor bicycle storage rooms for residence hall bicycle storage. (Not all residence halls or on-campus properties have indoor bicycle storage available).
- Bicycles must not be stored in student rooms.
- Bicycles left in hallways or stairwells will be confiscated by Environmental Health and Safety and turned over to CUP.
- Any bicycles found in bicycle rooms or on bicycle racks after Commencement will be handled in the following manner:
  - The bicycle will be removed (the lock will be cut if necessary) and taken to the Lost and Found in Barton Hall.
  - If the bicycle is registered with the University, CUP will contact the owner via a registered letter to his or her permanent address.
  - If the bicycle is not retrieved from the Lost and Found within a year, it will be entered in the Tompkins County Police Auction.

**Break Periods**
Residence halls are scheduled to open and close on specific dates; early arrivals and late departures are generally not allowed. Students are encouraged to make arrangements to move in or out by dates published by the Housing & Dining Contracts Office. When exceptions are made, students may be charged additional fees based on an hourly or daily rate. During Winter Break all residence halls are closed except the Jerome Holland International Living Center, which is open to international students and other students, depending on availability.

**Census Report**
All residents are required to sign a census report (either online or hard copy) at the beginning of each semester. The census report confirms the occupancy of each residential building.

**Cinder Blocks**
- Cinder blocks may not be used for raising or lofting beds and will be removed at the resident's expense.
• Any cinder blocks found in the residence hall at the end of the year will be billed to the resident responsible. In addition, any damage to furniture or floor due to use of cinder blocks will be billed to the resident(s) responsible.
• Devices designed for raising beds that will not damage floors or cause unsafe conditions are sold at the Campus Store and at local businesses.

Commercial Business
• Residents may not use their residence hall room, telephone or data lines for profit-making purposes.
• Commercial businesses are not permitted in the residence halls or on the grounds surrounding them. Some exceptions are possible for programming events where a vendor's presence is a key component. The Director of University Relations and Campus Life Marketing & Communications must authorize such events and a Use of University Property form must be filed online at the Dean of Students Office website: www.activities.cornell.edu/EventReg/.

Common Area Damage
All residents of a building or complex are responsible for the condition of the common areas. Common areas include, but are not limited to, hallways, lounges, laundry rooms, kitchens, elevators, stairwells, and entryways. Damages or stolen university property from these areas, for which a responsible individual is not identified, will lead to the floor, unit, building, or complex community being billed for the repairs, replacement, or cleaning.
• Damage that occurs on floors, in suites, or units could be billed to the specific residents of those smaller communities.
• If a pattern develops in which common areas are being misused, damaged, or left unclean, the space(s) could be closed.

Vandalism
• Destruction or removal of property other than your own will be subject to disciplinary action.

Common Area Usage
• Lounges, meeting rooms, lobbies, hallways, bathrooms, and kitchens in residence halls are areas held "in common" among the residents. They are not open to the general public.
• Bathrooms that are cleaned by Facilities staff must be cleared of personal belongings, except where cubbies and racks are provided.
• Residents may not remove furniture from any common area.
• Residents may not move beds into common areas.
• Contact the RHD or your House Office and follow guidelines in place for a given community to reserve common areas. It is expected that the area be returned to its original state after use. The sponsoring residents are responsible for any damage and clean up after an event.
• University and departmental policy on alcohol use and quiet hours must be adhered to in residence hall common areas.
• Behavior in common areas should conform to the standards of the community as a whole. Loud, offensive, or lewd behavior is not acceptable. Residents should exercise good judgment and demonstrate consideration of others when using common areas.
- It is the residents’ responsibility to keep lounges clean, and to return furniture to its proper location.

**Controlled Substances**
- It is against Cornell University policy to traffic in, manufacture, dispense, use, possess, sell, or be in the presence of any illegal drug.
- While the university prefers to handle a student's use of any controlled substance on an individual counseling and medical-care basis, such treatment does not offer immunity from local, state and federal law. Any information that comes to the attention of CUP concerning the sale, exchange, or transfer of drugs from one individual to another is communicated to public officials. The university cannot prevent federal, state, or local law enforcement officials from investigating and prosecuting drug law violators.
- Residential Programs/West Campus House System prohibits possessing drug paraphernalia, whether or not it is being used for consuming drugs.
- “Illegal drugs” includes legal prescription drugs that were prescribed to someone other than the individual in possession/using them.

**Cooking and Appliances**
Kitchenettes are provided in each residence hall for cooking. Residents are expected to abide by the following rules regarding cooking:
- Cooking is prohibited in hallways, bathrooms, and lounges.
- Student may not leave stovetop cooking unattended.
- Appliances with immersion coils, water heaters without thermostatic controls, and exposed coils (e.g., space heaters) are prohibited in the residence halls unless provided by SAS Facilities.
- Appliances with self-contained, thermostatically controlled heating elements with automatic shut off may be used in student rooms.
- Appliances with open heating elements may be used in kitchenettes only.
- Stand-alone microwaves are prohibited in individual rooms; students may use the microwave in their building's shared kitchen instead. A “microfridge” (combined microwave and refrigerator) is permitted, as long as it does not draw more than 3 amps (300 watts) to start and 1.5 amps while running. The exception is in the Townhouse Community, where residents may bring a microwave for use in their apartments.
- Due to wattage requirements, refrigerators must be those rented by the University vendor or another of the same wattage requirements.
- Use only electrical equipment identified with the Underwriter's Laboratories label.

**Courtesy and Quiet Hours**
- Residents and their guests are expected to observe courtesy hours at all times by acting in a manner that is conducive to studying or sleeping.
- Courtesy hours are in effect 24 hours per day. Members and guests of a community are expected to observe courtesy hours and may be asked at any time to limit the amount of noise they are creating.
- Each residential building is expected to define quiet hours at its own discretion. During quiet hours, amplified sound, loud talking in hallways, and other noise or behavior that might prevent others from sleeping or studying is prohibited.
Decorating Rooms

Resident rooms must be in the same condition upon departure as they were upon arrival. Room damages or decorating violations will be assessed at the resident's expense. The following guidelines should be adhered to:

- No more than one 8 ½” by 11” sheet of paper, per resident, is allowed on the outside of a room door.
- Pictures, posters, and other materials must be hung from picture moldings, tack strips, or bulletin boards only. Nails, tacks, screws, tape, glue, and other adhesives may not be used on walls, ceilings, wardrobes, woodwork, doors, or furniture. Decorations including natural evergreen trees, wreaths, or boughs are prohibited. All winter seasonal decorations must be removed during the intersession break. Damages resulting from violations of this regulation will be assessed against the resident(s) responsible for the damage.

- Maintenance in student rooms and common areas may only be done by authorized staff.
- Objects may not block the windows.
- You may not hang or post anything on the ceilings.
- You may not hang anything from sprinkler pipes or any part of the fire sprinkler system. Covering of smoke detectors and/or sprinkler heads is a life safety issue and is prohibited.
- Tapestries may not be hung in student rooms.
- Windows in all student rooms come already equipped with drapes, shades, or blinds. Students may not hang their own window treatments in their rooms, unless material is fire rated and labeled as such. Certification must be on file with the area Facilities Manager.

Donation Drives and Collection Boxes

Residents must contact their RHD/House Assistant Dean for approval for any form of donation drive and/or collection box. Residents who sponsor such drives must adhere to the Campus Life policy regarding placement, maintenance and removal.

In-house or single complex supported drives – If the complex chooses to support a donation drive, the complex and its staff are responsible for reservation, group contact information, setup, collection, and box removal. Contact your RHD/House Assistant Dean to arrange a drive.

Multi-complex student supported drives – These drives should be redirected to the Community Centers. The student group needs to reserve lobby space via the online reservation system (http://registrar.sas.cornell.edu/Sched/25) for donation boxes. The boxes will be provided to each group by Facilities. Facilities will put the boxes in the designated areas for each building. Each reservation will be allowed for 7 days. Boxes must be checked and emptied daily. The Community Center is not responsible for items in the boxes.
Multi-complex, university initiated, Campus Life approved drives –SAS Facilities group initiates these drives with special donation boxes (e.g., Share the Warmth, United Way, Dump and Run). The SAS Facilities group is responsible for setup, collection, and removal.

Students or student groups who wish to have a donation box and/or collection drive in the Community Centers must reserve lobby space via the online reservation system (http://registrar.sas.cornell.edu/Sched/25) for tabling/assembly. Students who do not reserve space and/or are not standing in the appropriate area will be asked to leave the Community Centers.

**Fire Safety**

- * Tampering with fire extinguishers, smoke detectors, sprinklers, fire and emergency doors, and other fire safety equipment, or falsely reporting a fire verbally or by pulling the fire alarm is a threat to safety and will result in an immediate referral to the Judicial Administrator.
- Fire extinguishers are to be used only by trained personnel. Residents should familiarize themselves with the locations of Fire Alarms and marked EXITS located throughout the buildings.
- Objects may not be 18 inches or closer to the ceiling or to any fire safety device.
- In the event of a fire or other emergency residents must exit the building following EXIT signs that are located throughout the building. Failure to follow evacuation procedures during an alarm will result in immediate referral to the Judicial Administrator.
- Storing flammable liquids and gases are not permitted in the residence halls.
- Use of open flame is prohibited in the residence halls.
- Candles (wick or wickless) and incense are not allowed in the residence halls. Candles may be used for religious purposes or approved special events only if they are placed in a stable container, preferably a glass-globe type of holder, and used in a common area with a residence hall staff member present.
- Incense may be used for religious purposes or approved special events only in a sturdy incense holder where ashes and embers will not come in contact with flammable material, and provided it does not negatively impact others in the community. The scent of the incense must be contained within the student’s room. Under no circumstance should burning incense be left unattended. Prior arrangements must be made with your RHD or House Assistant Dean. Candles (wick or wickless) and incense may not be used for display, or decoration purposes.
- Tapestries may not be hung in student rooms.
- Windows in all student rooms come already equipped with drapes, shades, or blinds. Students may not hang their own window treatments in their rooms, unless material is fire rated and labeled as such. Certification must be on file with the area Facilities Manager.
- Students may not leave personal items in hallways or stairwells. Items not removed by the resident after the first warning will be removed and later addressed by the RHD or House Assistant Dean.
• Extension cords and multi-plug adapters are prohibited in the residence halls. An outlet strip with a breaker switch that is identified with an Underwriter’s Laboratories label or listing (UL) is allowed.
• Floor lamps must have the required wattage light bulbs, and cannot exceed what is stated on the lamp’s UL label. Label is commonly found on the shade or near the outlet for the light bulb.
• The University is subject to fire and safety inspections by various agencies. If a fine is incurred as a result of your failure to comply with the terms of your Housing Contract or with any request from residence staff or other University staff, you will be responsible for the amount of the fine.
• Please note that the Fire Safety policies are subject to compliance changes and updates based on local and state regulated standards. Advance notice of changes/updates will be provided, whenever possible.

**Fireworks and Weapons**
• Possession of firearms, including rifles, shotguns, BB guns, ammunition, paintball guns, explosives, or other dangerous weapons, instruments or substances in or upon university premises is prohibited.
• Residents who need to have a weapon on campus (e.g., members of the skeet team, hunters) must register and store their weapons with CUP in G-2 Barton Hall. Residents will have 24-hour access to these weapons.
• Fireworks are illegal under New York State law. Any use of fireworks will result in immediate referral to the Judicial Administrator.
• Fireworks of any kind are prohibited in the residence hall.

Furniture may not be removed from a resident's room regardless of occupancy or any common area. Resident(s) will be billed for items removed or missing from any room.

**Gambling**
• All forms of gambling in the residence halls are prohibited.

• Guests may not remain in the residence hall for more than three consecutive nights within a given week.
• Overnight guests may not sleep in common spaces (e.g., lounges, hallways, and laundry rooms).
• Visitors to a building may not enter the hall without being escorted by the person they are visiting.

Small weights under 30 lbs. may be used.
- Any damage caused by hall sports will be billed to the responsible student(s).

**Hazing**
Hazing is defined as an act that, as an explicit or implicit condition for initiation to, admission into, affiliation with, or continued membership in a group or organization, could be seen by a reasonable person as endangering the physical health of an individual or as causing mental distress to an individual through, for example, humiliating, intimidating, or demeaning treatment; destroys or removes public or private property; involves the consumption of alcohol, other drugs, or other substances; or violates any of the policies of the University. Any student subjected to hazing or having knowledge of anyone else being hazed should immediately report the incident to a student staff member, RHD or House Assistant Dean in his/her respective residence hall. Individuals who participate in acts of hazing are personally accountable under the Campus Code of Conduct.

**Leafleting, Canvassing & Petitioning**
Leafleting and canvassing include activity in which an individual distributes papers (flyers, brochures, leaflets, posters, etc.) from door-to-door, or to people passing by. Canvassing includes activity in which an individual moves door-to-door asking residents for their support in an election or advertising an event. Canvassing and leafleting are not permitted in the residence halls, except for candidates for the Residential Student Congress, Student Assembly, Class Councils or the Board of Trustees on three designated nights during the campaign period, from 7:00p.m.-10:00p.m. in undergraduate areas and from 6:00p.m.-8:00p.m. in graduate areas, when the following procedures are followed:
- The candidate completes and receives approval at least 72 hours in advance of the event on a Use of University Property Form (UUP); in order for residence hall staff to track who is entering the building, up to three candidates and up to one building for one night may be listed on the UUP. The residential staff will notify the candidate of how to gain access to the building.
- The candidate carries a printed copy of the UUP approvals and presents it upon request to any university staff member.
- The RHD or House Assistant Dean determines the appropriateness of leafleting or canvassing taking place.
- The RHD or House Assistant Dean notifies the hall/complex of the leafleting/canvassing to take place, indicating that residents may place a sign on their door indicating “No Leafleting/Canvassing” if they do not wish to be approached, and the candidate respects the request not to be approached.
- The leafleting/canvassing material identifies the name of the sponsoring candidates and contains no requests for money.
- The leafleting/canvassing does not occur in entry/exit areas or archways.
Petitioning:
Residence hall members are allowed to petition in their own hall or complex under the following rules:

- The resident attends a meeting of the Residence Hall Leadership Organization, notifies the organization of the days and times he/she would like to petition, and receives permission from the organization to proceed.
- If the Residence Hall Leadership Organization is not active, the resident may submit her/his notification (as outlined above) to the Residential Student Congress (RSC).
- The petition subject matter is of a topic that relates to the community in which she/he lives.
- The petitioning does not take place during quiet hours.
- The RHD or House Assistant Dean notifies the hall or complex of the petitioning to take place, indicating that residents may place a sign on their door(s) indicating "No Petitioning" if they do not wish to be approached.
- If any of the above guidelines are not followed, the petitioner will be asked to stop petitioning and if not cooperative, could be subject to disciplinary action.

(Please also see the Guests and Escorts policy)

Lockouts and Lost Keys
Residential Programs and Service Center / House Office staff will not provide entry to a room for anyone other than a resident of that room, including parents, friends, guests, and/or other individuals. Exceptions may only be made in case of emergency as determined by a full-time Residential Programs staff member.

- Residents are responsible for their building and room keys. Residence hall exterior doors are locked at all times.
- Each resident will receive a voucher for one free “lockout” (to have their door unlocked for them without charge). Service Centers and residence staff will accept this voucher. A charge will be assessed for each additional lock-out.
- When a student is locked out of his/her room during service center hours, their service center will provide them with a loaner key for a fee, or for free if the student has a lockout voucher. Students must have proper identification such as an ID, or knowledge of the information on the key card, and must sign a Loaner Key Agreement before they take the loaner key. If the loaner key is not returned within three (3) days from the date the agreement is signed, the student will be bursar-billed lock charges and the locks will be changed. When a student is locked out of his/her room when the service center is not open, a residence hall staff member will open the room with a master key for a fee, or for free if the student has a lockout voucher.
- CUP will not unlock doors for residents.
- Students with electronic access who lose their access card (Cornell ID) must report the loss to the Service Center or House Office. The student will receive a temporary card that will be valid for 72 hours. After that period, if the access card is not located, the student must obtain a new ID card from University Registrar (B-7 Day Hall). After the 72 hours, a charge will be Bursar billed to the student if the loaner card is not returned.
- All lost or stolen keys must be reported to Cornell Police and the Service Center or House Office staff immediately. If the keys are not found within 5 days, the lock core will be replaced at the student’s expense. There are no exceptions to this policy.
- Keys must not be duplicated or loaned.
• Religious Restrictions: Students who are prohibited from using electronic devices on certain days due to religious restrictions may request an alternative access key from their service center and must sign an Alternative Access Key Agreement. The manager of the service centers will approve these requests, issue keys and maintain a file of all keys issued and returned.

• Bike Rooms: Students needing access to bike rooms may request an alternative access key from the service center and must sign an Alternative Access Key Agreement. The manager of the service centers will approve these requests, issue keys and maintain a file of all keys issued and returned. If a mailbox key or student room key is not returned at the end of the academic year or at the termination of the student’s residence hall contract for that room, the student will be bursar-billed for a lock cylinder change. In the case of theft, students should report the lost or stolen key to the service center immediately. The service center will submit the service request in TMA for lock change and bill accordingly.

• Students are responsible for the cost and will be bursar-billed the lock charges. There is no exception to this policy.

Lofts
Residents are not allowed to use home made or purchased lofting units. Anyone found in non-compliance will be charged for the removal and is subject to disciplinary action. If a resident wishes to have his/her bed lofted, it must be done via a work request through SAS Facilities staff. Lofting requests where applicable are accepted for 30 days after opening or until supplies run out, whichever comes first.

• Service dogs are permitted (as determined by the Office of Workforce Diversity, Equity and Life Quality and the Office of Student Disability Services), but not for training or companion purposes.

**Posting**
For the convenience of Cornell organizations, please observe the following guidelines when seeking to post advertisements in the residence halls:
• Non-Residential Programs (University registered or non-profit organizations) flyers or announcements may only be posted with the permission of Residential Programs staff. No other organizations or groups are permitted to post in the residence halls.
• All flyers must be taken to the Residential Programs Office at 1501 Clara Dickson Hall for approval before they are posted. Poster approval and stamping can be received between the hours of 8:30am and 4pm, Monday through Friday.
• Non-Residential Programs organizations must leave approved posters at the Residential Programs office, where professional staff will retrieve them for posting. Allow 7 days, prior to the event, for posting.

  -outside walls of buildings
  -sidewalks
  -stairwells and stairwell doors
  -glass on doors

**Return to Residence Hall after Hospitalization**
Cornell University requires a safety evaluation to be conducted by Counseling and Psychological Services staff with any student wishing to return to a university residence hall or apartment after
discharge from a psychiatric hospitalization. This evaluation must take place upon discharge or within one business day following discharge if it occurs after hours or on a weekend during a housing contract period.

**Room Change Requests**

- Any resident wishing to apply for a room change must first contact the RHD, ARHD or House Assistant Dean. During the first three weeks of each semester, residents may apply for a room change, but requests will not be processed until the Housing and Dining Contracts Office completes their room census to determine vacancies, which may take up to a month after Opening. Once a student receives another assignment he/she must sign a new housing contract. Students are not able to move until they receive authorization from the Housing & Dining Contracts Office. Moving prior to this notification may result in disciplinary action.
- Residents requesting direct room switches with another resident must not move or take possession of the new room until they have received official authorization from the Housing & Dining Contracts Office and all residents involved have signed a new housing contract. Each resident involved in a direct switch must come to the Housing & Dining Contracts Office together to sign new room contracts.
- There is a fee for student-initiated room change requests including direct room switches.
- If a student switches rooms without permission, he/she could lose the right to live on campus and other disciplinary action could be taken.

**Online Room Inventory and Condition Form**

Each resident must review their Online Room Inventory and Condition Form (RIC) within 48 hours of checking in. This RIC is to be used to record any existing damage to the student’s room. When vacating, any damages noted during inspection that were not recorded on the RIC are the resident's financial responsibility.

Residents are responsible for any damages to their assigned room. If a resident changes rooms or leaves the university, he/she must have a staff member inspect the room before it is vacated. At the end of the academic year, all residents must sign up for a checkout (appointment or non-appointment) with a Residential Programs staff member to complete the May closing process. Appeals to damage assessment may be made only by the resident, via email, to Res_Damage_Appeals@Cornell.edu. Residents who fail to checkout with a staff member forfeit the right to appeal any damage charges.

**Health and Safety**

- Students are not permitted on roofs, ledges, overhangs, balconies accessed through a window, or permitted to climb the exterior of buildings.
- Hanging or releasing antennae, flags, or other materials from the exterior of buildings is not permitted.
- Tampering or non-emergency use of the Blue Light or Elevator emergency phone call buttons is prohibited.
- Use of residence hall windows for the purpose of entering or exiting the building is prohibited and subject to disciplinary action.
- Students may not prop open or enter residence halls through propped doors, as this jeopardizes the security of the building.
A student may not allow access for another person unless she/he is the host for that person or specifically knows that the person is a current resident of the building.

Egress access must be safe and passable at all times, including corridors, stairwells, lounges, other common space and living space. In student rooms, state and city regulations require a minimum of 36 inches between the door and any other item in the room.

Students must keep rooms in a sanitary condition. Food must be put away in closed containers. Rooms should be clean of any food scraps or crumbs that could attract insects/rodents.

Dangerous and/or hazardous materials are prohibited in the residence halls.

In the event that a student's room needs to be accessed by a University Official (for example: emergency maintenance, pest control, medical situations, and safety inspections), we may require students to remove excess items from their floor and furniture tops. 24-hour advance notification will be given whenever possible.

Students may be required to move from their rooms in a designated amount of time as required by Campus Life, Residential Programs, or West Campus House System Staff for health and safety reasons.

The storage of bodily fluids is prohibited in the residence halls. Bodily fluids must be disposed of in the proper waste removal system.

**Seasonal Decorations**

- Real evergreen trees, boughs, and wreaths are not permitted in residence halls. Artificial decorations may be used and must be clearly marked as being made from a slow burning or a non-combustible material. Metal trees are also acceptable, with illumination by spot or reflective lights only.
- Seasonal lighting must be identified by an Underwriter's Laboratories label or listing (UL).
- Any perishable items used for decoration must be properly disposed of in a timely manner.
- No decorations may be placed on or hung from pipes or sprinkler heads.
- Residents must remove all winter seasonal decorations before leaving at December closing.

**Smoking**

Smoking is prohibited in all University undergraduate residential communities. This includes student rooms, offices, lounges, entryways, hallways, kitchens, bedrooms, elevators, and stairwells. Additionally, persons who smoke outside the residence halls must do so 25' from the building or any extending wall, awning, or other building feature, or where it is otherwise posted.

No personal trash may be left in bathrooms or common areas of the residence hall. Bodily fluids and biohazards are not permitted in trash and recycling containers.

**Vomit Clean-up**

Vomit in common areas is the responsibility of the community. Individuals responsible should take proper measures to clean the area. Contact a student staff member or the House Office to
receive a clean-up kit. Failure to do so may result in individual or common area damage charges.

**Waterbeds and Hot Tubs**  
Waterbeds and hot tubs are prohibited in the residence halls.

**Housing Terms and Conditions**  
You are responsible for the Terms and Conditions of your housing contract. If you do not adhere to the Terms and Conditions, you may be subjected to disciplinary action.
